♠ ₱ Paragraph    ■	<u>A</u> · <u>A</u> ·	Helvetica - 11pt	· = = :	3 8

You can fill in as much or as little as you want here. Mandatory input is the Staff User and the Reason. VetMate suggests just filling in those two fields to save time.

Save and return to the Patient's history page.

From the Tools button, find VetMate and select "New VetMate Form". This will now send the patient to the VetMate portal.

Login with your VetMate credentials.

Once surgery is completed and recovery vitals entered, select admission complete from the patient's admission information page. Click Update!

This will send the anaesthetic report directly to Pet Booqz and attach to the patient's file.
